DAFFODILS

I saw some beautiful daffodils as I was walking home
 The sign said, "Do Not Pick Them!, but I took them anyway.
 The policeman saw me walking with my beautiful bouquet .
 He stopped me, and he took my name and said, "Don't go away!"
 "You're under arrest, I'll lock you up, and there is a fine to pay!
 You surely will regret the day you picked the beautiful bouquet!"
 I went to court and saw the judge, he make me pay a fine.
 I really do regret that day I stole the beautiful daffodil bouquet!
