

Stewartstown Area Senior Center

Erin Faw, Director

July 2024

From The Director's Desk,

The carnival is fast approaching, and we will need some volunteers to help at the carnival. If you have a free evening and would like to help, there will be plenty of opportunities so check out the signup sheet and fill your name in where you would have the time to help. We would appreciate all the help we can get.

Make sure to come out for the parade on July 20th to support the Senior Center and to see some of our members riding in cars and on a float.

I appreciate everyone coming to the all-member meeting last month and remaining considerate and respectful to each other. I welcome the new members to the board and I look forward to working with you going forward.

For those that haven't heard we received a grant to replace some large furniture items in the center along with adding automatic door openers for the bathrooms and we are working diligently to get all our ducks in a row so we can receive the first disbursement of the grant money. We can't wait to get the center updated.

The senior center is listed as a cooling center for the county so if you or anyone you know needs somewhere to go to get out of the heat come visit us. If you know anyone that doesn't have air conditioning, please check on them often to make sure they are ok.

Lots of Love,

Erin
