

Stewartstown Area Senior Center

Erin Faw, Director
December, 2024

From The Director's Desk,

How has this year gone by so fast, it seems like just yesterday it was January. With the possibility of that nasty little 4 letter word "snow" creeping onto our lips please be sure to keep yourself safe. If we close, I will have the closing message on the phone by 7:00 am, so if you're questioning if we're open call the center to check the voicemail recording. Safety is always our top priority so please, error on the side of caution and stay safe.

I want to take this opportunity to thank everyone that has helped with our fundraisers this past year. We have acquired a few new volunteers this year and your support has been greatly appreciated. I also want to thank everyone that attends the center, your attendance and participation in the activities is what keeps the center doors open.

I would like to thank all those that attended the Veterans Day luncheon where we had twelve veterans present. (Thank you for your service). Thanks to all those that contributed to or helped with the lunch. We couldn't have done it without you. We also want to thank "New Song" for entertaining us.

Our Christmas party will be on Monday December 23rd with Christmas music played by DJ Jon (aka my husband) and a visit from Santa. We will have a special lunch that day. We are asking everyone to bring cookies to share with each other and with Santa. If you would like to participate in our Christmas left right game after lunch please bring in a wrapped gift valued between **\$5 and \$10**.

We will be celebrating New Year's on Monday the 30th with games and activities. Bring your special memories of the past year to share with everyone today.

Warm wishes,

Erin
