

## *Stewartstown Area Senior Center Inc.*

**Erin Faw; Director**

**June 2026**

June is here, and with it comes longer days, warmer weather, and many opportunities to get out, stay active, and enjoy time with one another. As summer begins, I encourage everyone to make time to come into the Stewartstown Senior Center and take advantage of all the wonderful things our center has to offer.

One of the greatest benefits of being part of our center is the opportunity to connect with others. A friendly conversation, sharing laughs with friends, participating in activities, and simply spending time together can make a tremendous difference in our overall well-being. The center is much more than a place to visit — it is a place where friendships grow and our community comes together.

I also encourage everyone to join us for lunch. For many, sharing a meal is one of the best parts of the day. Sitting together around the table creates opportunities for conversation, connection, and fellowship. We would love to see more smiling faces in our dining room and invite you to come enjoy both a meal and the company of friends.

Be sure to mark your calendars for our Cornhole Fundraiser on Saturday, June 27th! This promises to be a fun day filled with great competition, food, raffle baskets, 50/50 drawings, and fellowship. Events like these not only bring our community together but also help support the programs and services that make our center such a special place. We hope you'll come out, bring your family and friends, and help make this event a success.

As always, thank you for being part of the Stewartstown Senior Center family. I look forward to seeing you at the center this month and sharing another wonderful summer season together.

*Warm Regards.*  
*Erin*
